

Data-Sheet

Vertical / Horizontal Cable Manager

JTOPTICS® Horizontal Cable Management Panels with D Rings are built with steel for strength and durability. Easily route large amounts of cable horizontally and vertically through robust rings. The D-Ring provides a creative solution for adding individual D-Ring to a rack or on a wall using appropriate fasteners.

1U Metal Horizontal Cable Manager with 5 Detachable Plastic D-rings
JTCMR1U

JTOPTICS® 5U Vertical Cable Manager Cable Management Bend Radius Finger Bracket provides extra-deep cable management capacity for applications that require large cable bundles or thick cables. Light in weight, this type of bracket can be installed in specific areas of the rack, rather than along its entire height.

5U 3" Deep Plastic Vertical Cable Management
JTCMRV5U

JTOPTICS® 45U Single Sided Vertical Cable Management with Cover, Vertical Cable Managers are designed to manage networking equipment in half the area required by traditional cable management systems. Molded cable management fingers, with integral bend radius control, combine with angled patch panels to eliminate the need for horizontal cable managers. This frees up rack space for additional patch panels, active equipment, or cable pathways reducing the number of racks that may be required for the network layout.

About JT

In the dynamic realm of technology and innovation, the emergence of **Jayani Technologies Limited** has been nothing short of a saga marked by ingenuity, resilience, and a steadfast commitment to excellence. Originating as Jayani Technologies LLP in 2011 in the vibrant city of Mumbai, India, the company has evolved into a trailblazer in its domain. This narrative unfolds against the backdrop of the company's expansion into Hong Kong, a strategic move signaling its intent to conquer new horizons.

Established in 2011, Jayani Technologies (**JTOPTICS**[®]) was conceived as a response to the evolving technological landscape, recognizing the need for cutting-edge solutions that marry innovation with reliability. The Mumbai headquarters became the crucible for the company's early endeavor, a melting pot of talent and vision that propelled Jayani Technologies into the forefront of its industry and emerged as a leading manufacturer and supplier of cutting-edge solutions in the fields of optical Fiber, data center, networking, and electric vehicle components.

From its inception, the company distinguished itself by its unwavering commitment to client satisfaction, a commitment that became the cornerstone of its success. Jayani Technologies quickly became synonymous with technological prowess and an unwavering dedication to delivering solutions that transcended conventional boundaries.

JTOPTICS[®] has developed and produced many active and passive interconnection and connectivity products suitable for different networks, aiming to become a one-stop device integration solution provider in the open optical network field, products include MPO Cables, AOC cable, passive DAC cable, optical transceivers, optical modules & subsystems, active & passive optical components, and high-density cabling products.

Vision

Our vision is to be recognized by clients as trustful a trusted business partner whose mission is to help our clients by offering state-of-the-art products and services.

Mission

Our mission is to catalyze the success of its clients by providing unparalleled technological solutions. The company envisions itself as a catalyst for positive change, aiming to reshape industries through innovation, integrity, and a relentless pursuit of excellence.
