

GMIF SCHOLARSHIP DEGREE PROGRAM 2024 IS NOW OPEN!

The **Gadjah Mada International Fellowship (GMIF) Degree Program** stands as a beacon of educational opportunity, extended by Universitas Gadjah Mada (UGM) to international students seeking to pursue a Master's degree. With a special emphasis on candidates from the ASEAN region (excluding Indonesia) and Global South Countries, this scholarship program aims to empower individuals with outstanding academic achievements to excel in their chosen fields of study.

Through the pursuit of Master's degrees in relevant fields, GMIF participants not only enhance their own knowledge and skills but also lay the foundation for progress and development within their home countries. With a vision for a brighter future built upon the pillars of education and innovation, GMIF nurtures the next generation of leaders who will drive positive change and create impact on a global scale.
